Inspiring Healthy Living Around the World

Hosted by the *Juice* PLUS+ Company

July 14, 2016
6:30pm-8:00pm

**City of Wilson
Operation Center
1200 Herring Ave.
Wilson, NC 27893**

What does good health mean to you? Are you ready to say “YES” to life? Learn from nationally and globally renowned speakers and jumpstart your journey. Please join Robert Van Arlen and Courtney O’Donnell on how to take charge of your health and financial goals with Juice Plus+® .

Juice Plus+® is concentrated whole food-based nutrition from 30 different fruits, vegetables, berries and grains. Juice Plus+® helps us bridge the gap between what we “do” eat and what we “should” eat.

Juice Plus+® is backed by clinical research conducted at leading universities. More than 30 published clinical studies confirm the healthful benefits of Juice Plus+®, including a healthier immune system, improved cardiovascular health, reduced oxidative stress, reduced DNA damage, and healthier skin and gums.

Discover how to live life to the PLUS.
